## Some More Truths.

WOULD you use a steam shovel to move a pebble? Certainly not. Implements  
are built according to the work they have to do.

Would you use a grown-up's remedy for your baby's ills? Certainly not.  
Remedies are prepared according to the work THEY have to do.

All this is preliminary to reminding you that Fletcher's Castoria was sought  
out, found and is prepared solely as a remedy for Infants and Children. And let  
this be a warning against Substitutes, Counterfeits and the Just-as-good stuff that  
may be all right for you in all your strength, but dangerous for the little babe.

All the mother-love that lies within your heart cries out to you: Be true to  
Baby. And being true to Baby you will keep in the house remedies specially  
prepared for babies as you would a baby's food, hairbrush, toothbrush or sponge.

## Children Cry For

# Fletcher's CASTORIA

### Are You Prepared?

A doctor in the house all the time would be a good idea. Yet you  
can't afford to keep a doctor in the family to keep baby well or pre-  
vent sickness. But you can do almost the same thing by having at  
hand a bottle of Fletcher's Castoria, because it is a wonderful remedy  
for indigestion, colic, feverishness, fretfulness and all the other dis-  
orders that result from common ailments that babies have.

Fletcher's Castoria is perfectly safe to use. It is a harmless sub-  
stitute for Castor Oil, Paregoric, Drops and Soothing Syrup. Children  
cry for Fletcher's Castoria, and mothers recommend it because they  
have found it a comfort to children and a mother's friend.

If you love your baby, you know how sweet it is to be able to  
help baby when trouble comes. You cannot always call upon a doctor.  
But doctors have nothing but good to say of Fletcher's Castoria, be-  
cause they know that it can only do good - that it can't do any harm -  
and they wouldn't want you to use for baby a remedy that you would  
use for yourself.

slack in Stafford Springs. The Cyril  
Johnson woolen mill is closed this week

days' schedule. The mills have not had  
any last time to speak of for the past four  
years and most of the employees are glad  
to get a short vacation.

ford retreat, where she was taken Thurs-

## What is Going On Tonight

Motion Pictures at Grand Theatre,  
Auditorium and Motion Pictures at  
Davis Theatre.

### ANNOUNCEMENTS

The Davis.  
A complete change of programme at  
the Davis theatre today when the popu-  
lar Musical Company Girls From Happy-  
land will offer the big scenic production  
"Snowbound," introduced by a new story  
at the risk of the curtain. There is a  
strong plot running through the entire  
bill. It deals with one Hiram Perkins  
whose son ran away to join a circus  
when by some unforeseen accident the  
train on which the show that he is not  
the manager of is shown bound near his  
father's farm. Owing to the hotel being  
unable to accommodate his company they  
are brought to his father's farm where  
the fun begins. The comedy roles of Hi-  
ram and the sheriff are in the hands of  
Happy Harry Moore and Jack Simonds  
while the live wire comedy duo of the  
Babe Miller is seen in a cyclone waltz  
and a triple buck dance. Debby  
Thornion, one of the best prima don-  
nas that has been here in some time  
will offer some of the old fashioned songs  
that she has learned from her mother.  
This lady has a strong voice and is  
something different than the so-called  
prima donnas. No one forgets the place  
and that all roads lead to the Davis.  
The real place of amusement of a higher or-  
der. Special attention is called to the  
costumes that are worn by the ladies  
during this engagement. So take this  
change. Mr. Tired Business Man and  
your pleasure seeking wife and witness  
the Girls From Happyland Co.

The feature picture today is William  
Russell in "Six Foot Four," a six-part  
special production from the famous new-  
el by Jackson Gregory. This is one of  
the finest pictures Mr. Russell has ever  
appeared in and one that you will enjoy.  
To complete the programme there will be  
one of Mack Sennett's latest comedies,  
entitled "Freaks From the City," two  
thousand feet of nothing but laughter.  
Another change of programme Friday.

### Breed Theatre.

For its feature attraction today (one  
day only) the Breed will present Gladys  
Hulette in a screen version of Clinton  
H. Smith's "The Automobile Man," a  
story, "High Speed." From the opening  
of the story to the final fade-out there is  
action every minute, for the story is laid  
around the famous automobile races held  
yearly at Saratoga, New York. The  
actual racing scenes were taken. During  
the course of the races is seen a thrilling  
accident in which two cars are almost  
demolished. "High Speed" is a picture  
spark plug of entertainment. Charles Ray  
will also be seen in the corking baseball  
play, "The Pinch Hitter." Baseball is  
not the only exciting situation in this  
comedy, however, as it sparkles with hu-  
morous episodes from actual happenings  
of college life. It is a picture that every-  
one will enjoy. The word Weekly will  
complete the bill for today.

Announcements of the attractions in-  
dicate that the Danielson Chautauques  
will be better than ever this year.

The programmes are well balanced and  
give a variety of entertainment, with as  
especially strong list of lecturers.  
In the Lybarger Quintet, which will  
be heard on the opening day, July 28, the  
Chautauque present a group who will  
give, in costume, a striking programme  
of most popular instrumental and vocal  
musical successes. The lecturer for the  
opening day is Lieut. J. Dunton Sher-  
man, whose vital message to every com-  
munity will be set forth in his lecture,
